ABOUT ME

I am a hardworking and ambitious individual with a great passion for the Software & It industry. I am currently studying Bachelor of Software Engineering Honors (BSE) at Open University Sri Lanka. I have strong technical skills as well as excellent interpersonal skills, enabling me to interact with a wide range of clients.

I am eager to be challenged in order to grow and further improve my IT skills. My greatest passion in life is using my technical know-how to benefit other people and organizations.
